# Steps to Access Your Test Scores from the Student Portal

The ACCUPLACER Student Portal allows you to review your test scores, reprint your Individual Score Report (ISR), and send your scores to other institutions. Note: If you didn't enter an email address when you tested, you won't be able to access your report. Please contact the institution where you tested for your score report.
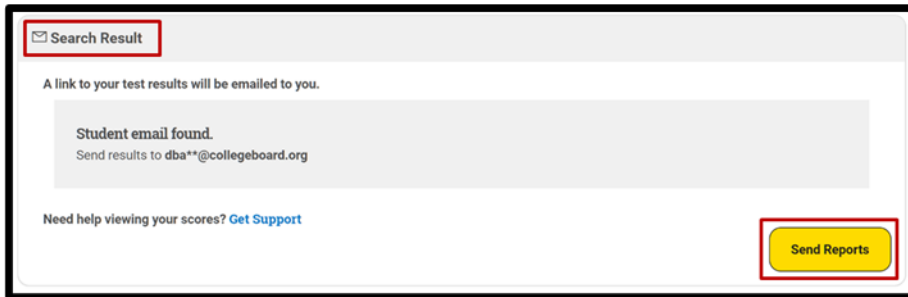

1. Go to https://studentportal.accuplacer.org/ to access the ACCUPLACER Student Portal. From the list of options, click "Your ACCUPLACER or TSIA2 Score Report."

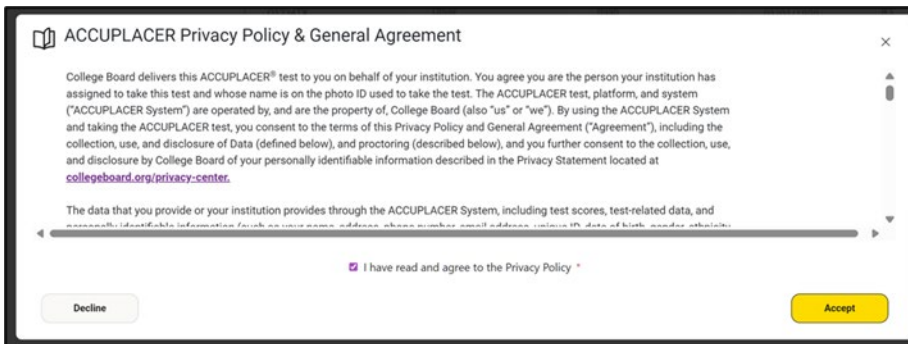

2. On the "Find Your Test Results" screen, enter the same information you did when you took your test, then select the "Search" button. When choosing the institution, you should select the institution linked to your ACCUPLACER test(s). This is the institution responsible for your testing, which may be the test center where you completed your exam or the institution that provided your test voucher. It isn't necessarily the school you currently attend (high school or college).
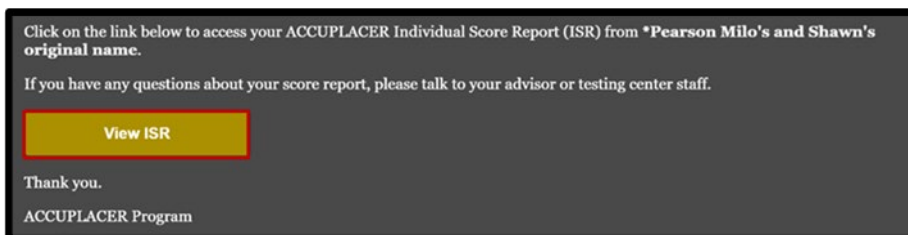

3. You will see a screen confirming that your test results were found. The "Search Result" screen will show you the email address you entered when you tested. Click the "Send Reports" button.

4. Before the email is sent, you will see the ACCUPLACER Privacy Policy & General Agreement. If you agree to the Privacy Policy, check the "I have read and agree to the Privacy Policy" box, then click the "Accept" button. Note: You won't receive your ISR email without accepting this privacy policy.

5. After you Accept the Privacy Policy, an email with the subject "Your ACCUPLACER Test Results" will be in your inbox. If it isn't in your inbox, please check your spam folder. In your email, select the "View ISR" button to retrieve your ISR.

6. Before retrieving your ISR, you'll see the ACCUPLACER Privacy Policy & General Agreement. If you agree to the Privacy Policy, check the "I have read and agree to the Privacy Policy" box, then click the "Accept" button. Note: You won't be able to access your ISR without accepting this privacy policy. A portion of the specified policy and agreement is displayed and also shows the Accept button located at the bottom right of the screen.
